

SeedTrust is Escrow Made Easy.

SeedTrust is the leading technology-enabled escrow fund manager for egg donation and surrogacy. Purpose driven, SeedTrust endeavors to help families grow, while reducing the financial stress of the escrow process. SeedTrust is secure, transparent, affordable and reliable—allowing parents and surrogates to focus on what's truly important: building families.

THE SEEDTRUST® ADVANTAGE

FUND SAFETY

SeedTrust client funds are fully insured with a \$40 million bond! The funds are further secured by a \$2 million general liability policy, \$1 million Errors & Omissions policy and \$1 million Cyber Incident Protection policy. In addition, client funds are held in an attorney-managed trust account.

INFORMATION SECURITY

The SeedTrust online platform utilizes AES-256 encryption and complies with the Health Insurance Portability and Accountability Act (HIPAA).

24/7 ONLINE ACCESS

SeedTrust's innovative online escrow fund management platform provides 24/7 access to your entire escrow file, including ledgers, documents and transaction history.

HIGHLY QUALIFIED

Combined, the SeedTrust team has over 50 years experience in law, accounting, banking and Assisted Reproductive Technology (ART).

CLIENT FOCUSED

Our team of caring professionals respond swiftly and thoughtfully via phone or email to any questions or concerns you may have throughout your journey.

TRUSTWORTHY

SeedTrust is an independent third party with a legal responsibility to protect the funds we hold in escrow and to ensure that they are handled in accordance with the contract made between all parties.

SIMPLE

Easy-to-understand contract summary, direct deposit payments and real-time transaction notifications.

SeedTrust removes the financial worry and risk.
